BASS Electric Convention Invitation

Congratulations you are a Blue Fin Boats BASS Electric Convention
Qualifier!

ABT is pleased to invite you to the Bluefin Boats Bass Electric Convention held at Bjelke Petersen Dam on the 28th and 29th September, 2013. Anglers from prime bassing areas from Queensland and New South Wales will be heading to BP to fish this pinnacle event of the year.

Entry into the Convention this year is participation based rather than performance based, and to qualify all you need to have done is either won an event, or fished in at least three rounds during the year, and have weighed in fish in at least one of those rounds.

All competitors will receive a 2013 Bluefin Boats BASS Electric Convention AFC style shirt and have the chance of taking home a Bluefin Boats BASS Electric boat and MotorGuide Electric Motors.

Entry forms and payment must be returned before the due date (Friday, September 6th, 2012) to establish a confirmed entry. If you are unable to attend the tournament, please notify ABT on (07) 3387 0888 as soon as possible.

Once again, congratulations on qualifying in a very competitive field of anglers and
GOOD LUCK!

Regards,
